**CERTIFIED TRUE COPY OF THE RESOLUTION PASSED AT THE BOARD MEETING OF
GUJARAT APOLLO INDUSTRIES LIMITED HELD ON THURSDAY, NOVEMBER 05, 2015
AT "PARISHRAM", 5-B, RASHMI SOCIETY, NEAR MITHAKHALI SIX ROADS,
NAVRANGPURA, AHMEDABAD – 380 009 AT 3.30 P.M**

During the financial year 2013 - 14, the Company executed a Business Transfer Agreement for the strategic joint venture with Switzerland based Ammann Group. As per that joint venture, the Company and its wholly owned subsidiary, Apollo Earthmovers Limited transferred the entire product portfolio of asphalt plants and paver business (excluding crushing and screening business) on April 10, 2013 to Ammann Apollo India Private Limited on slump sale basis. This joint venture resulted in substantial cash surplus of more than Rs. 100 Crore for the Company, leading to a very favourable liquidity position.

As on March 31, 2015, the Company still had a liquid investment in mutual funds of more than 90 Crore (having aggregate market value of more than Rs. 105 Crore) and Cash and Bank balance of more than Rs. 16 Crore.

Presently, the Company does not have any plan in near future for major capital investment or expansion or business acquisition. These facts when reviewed against the management's overall objective of maximization of shareholders wealth, has lead the management to consider buyback of the Equity Shares of the Company as an effective way of utilizing the liquid surplus being more than what is needed for its regular business operations.

The buyback is proposed out of the Company's accumulated free reserves. The buyback is expected to:

- reduce outstanding number of equity shares and consequently increase Earnings Per Share over a period of time;
- effectively utilize surplus cash; and
- make the Balance Sheet leaner and more efficient to improve key return ratios like Return on Net Worth, Return on Assets etc.

The Board of Directors, further, took into consideration various factors, including but not limited to, the book value of Equity Share, post buyback financial ratios, market value, liquidity position, possible impact of the buyback on the Company's post buyback capital and earnings per share.

Ms. Neha Chikani Shah, Company Secretary informed the Board of Directors that Mr. Anil T. Patel, Mr. Anand A. Patel, Mr. Asit A. Patel, Mr Manibhai V. Patel and Mrs. Nayna A. Patel, all being part of the Promoter Group will not participate in voting for the proposed Buyback in their capacity as Directors of the Company. The Board of Directors noted that post completion of the proposed Buyback, the voting rights of Promoters and Promoter Group may increase by more than 5% in a financial year. Promoters and Promoter Group shareholders are already having control over the Company and any such further increase in voting rights will not result

in any change in control by Promoters and Promoter Group shareholders over the Company. In terms of Regulation 10(4)(c) of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, the Promoters and Promoter Group are exempt from an obligation to make an open offer despite the increase in voting rights of the Promoters and Promoter Group by more than 5% in a financial year, if certain conditions are fulfilled.
